Dear Steve:

Re: Future Correspondence from USPTO Concerning
U.S. Patent No's.: 5,673,190 and 5,870,698

The purpose of this letter is to inform you that I am in the process of withdrawing as attorney of record for the subject issued patents. Copies of the withdrawal requests are enclosed herewith for your files. To that end, I have changed the correspondence address for each of the issued patents so that Atrix International, Inc., attn.: Steven D. Riedel, will receive correspondence related to those applications directly from the USPTO rather than going through me. Presently, there are no outstanding matters requiring your attention. Please note that it is important that you inform the Patent and Trademark Office of any change to the correspondence address in order to timely receive future correspondence relating to the subject issued patents such as maintenance fees coming due.

It has been a great pleasure being of service to you. Please call me if you have questions.

Sincerely,

Dwight Holmbo
